

Certificate

Mr.

Zoltán Jánosy

has been appointed by TEQ Training & Consulting GmbH as a

Qualified Trainer for Bosch TQ Seminars

This refers to Bosch TQ 002, 003, 006, 038 and 039.

He/she successfully attended a TEQ TtT-training based on the related Bosch booklets and training material. His/her competency has been proven by fulfilling requested preconditions, passing a written test and presenting a selected training sequence.

This certificate had been issued initially on April 21st, 2011 and due to current experience had been prolonged to April 21st, 2015.

Weinheim, April 21st, 2013

Dr.-Ing. Wolfgang Schultz
Managing Director
