

## Teilnahmebestätigung

Mr.

Zoltán Jánosy

has been appointed by TEQ Training & Consulting GmbH as a

### Qualified Trainer for Bosch Seminars and Workshops QM-TQ061 to QM-TQ067

He successfully attended a TEQ train-the-trainer training based on the Bosch Global User Platform Concept and the related Bosch training material. His competence has been proven by meeting requested requirements, attending the presentations and presenting a selected training sequence himself.

This certificate will be valid until December 13, 2015.
